

Plan for Re-opening and parent contract

Upon reading this document please sign, date and print your student's name on the back side of this form.

We will be following CDC guidelines and upping the standards by adding our own daily practices. Some of these are:

- All parents will be required to wear a face-mask when coming onto campus and should not come inside the classrooms. Please knock on the door and a teacher will come to get your child during drop/off pick/up times.
- Everyone will be required to use hand sanitizer or wash hands upon entering the classroom.
- All children and staff will have their temperature taken each morning. Children with a temperature of 100 or greater, or deemed potentially sick, will be separated from the class and parents will be required to retrieve them with-in 30 minutes. In addition, the child will need to stay home for 48 hours or a doctor's note to be remitted back. It will be up to the teachers discretion if they feel your child is sick, then they will be sent home.
- CCM will notify parents if anyone from their class was sent home sick for the day until necessary.
- We will be utilizing our large inside and outside space in an effort for separation
- All physical touchpoints, door knobs, handles, and materials will be sanitized continuously throughout the day. We will also have our cleaning company cleaning the classes each night.
- Each teacher will have a filtered water jug in their class to give children water throughout the day. The toddlers & primary will be allowed to have water bottles with their names written. The teachers will plan to keep the water bottles in a safe place and give them to children individually throughout the day.
- We will be lowering our class sizes until necessary to a maximum of 24 students per primary class and 12 students per toddler class.
- No group snack. Please send a snack for your own child each day.
- We will encourage families to not come into the office and call with any questions.
- We will learn, develop, and take suggestions for new safe practices

Medical Waiver:

Parents agree to pursue Montessori education at our school knowing that children cannot be expected to engage in “social distancing”, and knowing that children may contract Covid-19 and spread it, even asymptotically. Parents understand that it is their responsibility to guard vulnerable family members from catching Covid-19 from their children.

Parents agree to report illnesses in a timely manner- the same day. Parents also acknowledge that nobody in their immediate household has contracted Covid-19 within the past 14 days.

Parents agree not to hold Cave Creek Montessori and staffers responsible for Covid-19 infections and results thereof.
